Florida Gulf Coast University

Pillar 1
Student Success

Florida Gulf Coast University

Student Success Summary

- 4-year graduation rate almost doubled from 2015 to 2020.
- Multiple programs and technologies implemented since the creation of the Student Success and Enrollment Management Division.
- Improved the financial services area to better assist students, and increased available scholarships resulting in a decrease in the cost of a degree.
- Increased and enhanced student programs and facilities to ensure student success.

Pillar 2: Academic Excellence

Florida Gulf Coast University

Academic Excellence Summary

- Student enrollment at FGCU's Honors College has grown from 827 (2017) to 1,234 (2021).
- Internship Leadership Team formed to increase internships and co-ops campus-wide; new internship courses created.
- New programs created (and current programs revised) which lead to high-wage, high-demand jobs.
- Campus-wide effort to increase accountability regarding performance metrics.
- Externally-sponsored research awards have increased by over 73% ($15.5 Million) since 2017-2018, continuing to increase.
- Numerous events, programs, and initiatives in place through the FGCUScholars office to expand student research.

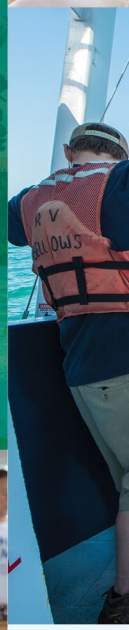
SOUTHWEST FLORIDA IS GROWING ON US

Maybe it's our commitment to student success and the thousands of student interns who work in the community. Or the $600M dollars we add to the economy. The 4,640 jobs we create. The 3 million service-learning hours we've performed. Or the fact that over half our grads live, work and start businesses here. FGCU and Southwest Florida have grown on each other, making us both stronger.

That's **THE FGCU EFFECT**



FGCU 25 YEARS

FROM IDEA TO IMPACT
